OECD Home Health Health We help countries achieve high-performing health systems by measuring health outcomes & the use of health system resources as well as by analysing policies that improve access, efficiency & quality of health care.

Health - OECD

The OECD publishes economic reports, statistical databases, analyses, and forecasts on the outlook for economic growth worldwide. Reports are variously global, regional, or national in orientation.

Organisation for Economic Co-operation and Development (OECD)

The Organisation for Economic Co-operation and Development (OECD) is an international organization of countries. Member countries of OECD all have a democratic system of government. They also accept the principle of a free economy. A country has a free economy when its government does not control the economic activities of its citizens and companies.
