Fathomless Fairytale Retellings 3 Jackson

First a little backstory:
Fathomless is the third
entry in Jackson
Pearce's Fairytale
Retellings. What I like
about this series, is
that it is almost not a
series. The stories are
not co-dependent on
each other -- however,
it would be a better
experience to read
them in order.

Although I prefer The Surface Breaks (they're both Little Mermaid retellings), this was the first one that I had ever read. I haven't read this in a while and it's definitely the one I remember the least, but it's kind of a race against time between two characters.
