The design of the Longman Written American Corpus is based on the general design principles of the Longman Lancaster English Language Corpus and the written component of the British National Corpus. Like other corpuses in the Longman Corpus Network, words can be concordanced, wordlists created, and statistical features analysed, allowing lexicographers to compare and contrast usage in British ...

Longman Dictionaries: Longman Corpus Network

Description. This book provides an original introduction to the general principles of property law in England. Moving away from a compartmentalised approach to the study of law, the book allows the student to examine and understand the basic premise and idea of property, the law and its associated concepts.
