An automatic pool cleaner is very useful for people who have a bad back which finds it hard to manually operate the pool cleaner throughout the pool area. This type of pool cleaner can move along the various areas of a pool automatically. Its main function is to suck up dirt and other debris in the pool. It functions as a vacuum.

### **20 Best Pool Cleaner 2020 Reviews & Consumer Reports**

The Dolphin Advantage Robotic Pool Cleaner is self-contained and fully automatic. Just drop it in your pool, turn it on and leave it for about 5 hours. It computes a path to maximize cleaning and even climbs the walls to scrub and vacuum the entire pool floor, walls and waterline.
